To Whom It May Concern:

I am writing in reference to a Decision on Appeal – Funding Year 2002/2003. The decision was made to deny in full.

I had submitted my request for appeal stating my error of using the incorrect application number. I am attaching copies of everything I have submitted.

In the letter dated March 6, 2003 with the decision to deny the application in full there is some incorrect information. I do admit this has been a very confusing situation, but the second statement saying I responded to that FCC Form 470 application number 710800000368937 was used for bidding these services is incorrect. That was my point of this entire appeal. The correct application number is 446460000409355.

I would greatly appreciate you taking the time to once again review my information. I do understand it is my responsibility to gather the correct information and transfer that information to the next application process and met each deadline, but I also understand I am not perfect and made a mistake.

Thank you very much for your assistance. Please contact me at 559-327-9050 if you have any questions.

Sincerely,

Pam Viar

Re: Billed Entity Number: 144027
 471 Application Number: 320217
 Funding Request Number(s): 849110, 849698
 Your Correspondence Dated: July 8, 2002

After thorough review and investigation of all relevant facts, the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company ("USAC") has made its decision in regard to your appeal of SLD's Year 2002 Funding Commitment Decision for the Application Number indicated above. This letter explains the basis of SLD's decision. The date of this letter begins the 60-day time period for appealing this decision to the Federal Communications Commission ("FCC"). If your letter of appeal included more than one Application Number, please note that for each application for which an appeal is submitted, a separate letter is sent.

Funding Request Number: 849110, 849698
Decision on Appeal: **Denied in full.**
Explanation:

- In your letter of appeal you have stated that the FCC Form 470 application number you referenced, 710800000368937, on the Form 471 was the incorrect one. On appeal you have acknowledged that this Form 470 number is incorrect and have provided the correct FCC Form 470 number.
- During the review process you were asked which FCC Form 470 was used to establish bidding for these services and you responded that FCC Form 470 application number 710800000368937. This FCC Form 470 did not post for Internet access services, which you requested on your Form 471.
- Program rules state, that in order to be considered for funding, an applicant must reference a valid FCC Form 470 on the Form 471 for the services they are

44646000
409355

requesting. It is the responsibility of the applicant to fill out all forms correctly and submit them on time.

- Since the FCC Form 470, application number 710800000368937, you referenced on the Form 471 did not post for Internet access. The appeal will be denied.

If you believe there is a basis for further examination of your application, you may file an appeal with the Federal Communications Commission (FCC) via United States Postal Service: FCC, Office of the Secretary, 445-12th Street SW, Washington, DC 20554. If you are submitting your appeal to the FCC by other than United States Postal Service, check the SLD web site for more information. Please reference CC Docket Nos. 96-45 and 97-21 on the first page of your appeal. **The FCC must RECEIVE your appeal WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER for your appeal to be filed in a timely fashion.** Further information and new options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site, www.sl.universalservice.org.

We thank you for your continued support, patience, and cooperation during the appeal process.

Dear Applicant:

We are pleased to inform you that the Schools and Libraries Division (SLD) has received your FCC Form 470, "Description of Services Requested and Certification Form," complete with your signed certification. The posting date is noted above. This letter provides important information about the processing of your Form 470 application. Please read this letter carefully and retain it for your records and future reference.

The Form 470 Application Number listed above has been assigned by the SLD and will be used to track your Form 470. This number must be provided on each FCC Form 471, the "Services Ordered and Certification Form," that cites this Form 470. Any applicant who relies on this Form 470 will need to know this Form 470 Application Number. You may wish to share this number with those schools and/or libraries featured in this application to assist them in their preparation of Form 471.

FCC rules require that requests for tariff or month-to-month services and requests for new contractual services be posted on the SLD web site for a period of 28 days before selecting a vendor, to provide for a competitive bidding process. State or local laws may require a longer procurement cycle. This 28-day waiting period must occur before you may execute any contracts for contracted services, before you select your vendor for tariff or month-to-month services, and before you sign and submit your Form 471. In addition, if you are seeking support for the first time for services delivered under a multi-year contract signed on or before July 10, 1997, the SLD cannot process your Form 471 until the 28-day waiting period has elapsed.

The date that contracts can be executed for contracted services or that selection can be made for a vendor providing tariff or month-to-month services is listed above as the "Allowable Vendor Selection/Contract Date."

For information about the filing window for FCC Form 471 for discounts on services to be rendered on or between July 1, 2002, and June 30, 2003, check the Schools and Libraries web site at <<http://www.sl.universalservice.org>>. Information about the filing window will be posted when it becomes available.

It is important to remember that not all requested services will necessarily be approved for discounts. Your FCC Form 471, the "Services Ordered and Certification Form" will be subject to review by the SLD for a determination of funding eligibility before funds are committed. (This review will consider all program rules including eligibility of discount recipients and the eligibility of services for which discounts are requested.) In addition, availability of funds will be a factor in funding decisions. Therefore, you should consider the possibility of a denial of funding or a level of funding below your request, and include appropriate contingencies in contracts for any or all of the requested services.

Thank you for your interest in the Schools and Libraries program. If you have any questions, please call the SLD Client Service Bureau at 1-888-203-8100.

NOTICE TO INDIVIDUALS: Section 54.504 of the Federal Communication Commission's rules requires all schools and libraries ordering services that are eligible for and seeking universal service discounts to file this Services Ordered and Certification Form (FCC Form 471) with the Universal Service Administrator, 47 C.F.R. §4.504. The collection of information stems from the Commission's authority under Section 254 of the Communications Act of 1934, as amended, 47 U.S.C. §54. The data in the report will be used to ensure that schools and libraries comply with the competitive bidding requirement contained in 47 C.F.R. §4.504. All schools and libraries planning to order services eligible for universal service discounts must file this form themselves or as part of a consortium.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

The FCC is authorized under the Communications Act of 1934, as amended, to collect the personal information we request in this form. We will use the information you provide to determine whether approving this application is in the public interest. If we believe there may be a violation of potential violation of a FCC statute, regulation, rule or order, your application may be referred to the Federal, state, or local agency responsible for investigating, prosecuting, enforcing or implementing the statute, rule, regulation or order. In certain cases, the information in your application may be disclosed to the Department of Justice or a court or adjudicative body when (a) the FCC; or (b) any employee of the FCC; or (c) the United States Government, is a party of a proceeding before the body or has an interest in the proceeding.

If you owe a past due debt to the federal government, the taxpayer identification number (such as your social security number) and other information you provide may also be disclosed to the Department of the Treasury Financial Management Service, other federal agencies and/or your employer to offset your salary, IRS tax refund or other payments to collect that debt. The FCC may also provide this information to these agencies through the matching of computer records when authorized.

With the exception of your social security number, if you do not provide the information we request on the form, the FCC may delay processing of your application or may return your application without action.

The foregoing Notice is required by the Privacy Act of 1974, Pub. L. No. 9579, December 31, 1974, 5 U.S.C. §552, and the Paperwork Reduction Act of 1995, Pub. L. No. 10413, 44 U.S.C. §3501, et seq.

Public reporting burden for this collection of information is estimated to average 6 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, completing, and reviewing the collection of

information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing the reporting burden to the Federal Communications Commission, Performance Evaluation and Records Management, Washington, D.C. 20554.

Re: Form 471 Application Number: 320217
Funding Year 5: 07/01/2002 - 06/30/2003
Applicant's Form Identifier: YR5INTERNET
Billed Entity Number: 144027

NOTICE: This notification is an acknowledgment of RECEIPT and SUCCESSFUL DATA ENTRY of your ECC Form 471, Services Ordered and Certification Form, reflecting \$76,500.04 in total program year pre-discount costs for services. This letter confirms that the Form 471 and signed Form 471 Certification have been received.

This letter does NOT contain any decisions concerning your requests for discounts. Note, however, the three-week response deadline described below.

Please keep this letter for your records. The Form 471 application number cited above is critical for you to link your application to future Schools and Libraries Division (SLD) communications.

Please be advised that the last of your Form 471 application materials identified above was postmarked or received by the SLD on 01/16/2002 and successfully entered into our data system. SLD's Program Integrity Assurance (PIA) Team will now review your application for compliance with program rules. Once the review of your application has been completed, you will receive a Funding Commitment Decision Letter(s) to inform you of the disposition of your application. Until you receive a Funding Commitment Decision Letter from the SLD, you cannot assume that you will receive the discounts for which you are applying.

Your application will be considered within the application filing window wherein all applications that meet the Minimum Processing Standards are treated as though they were received on the same day.

HOW TO USE THIS 471 RECEIPT ACKNOWLEDGMENT LETTER TO CORRECT INFORMATION ON YOUR FORM 471 (ACT WITHIN 3 WEEKS!)

If you find data entry errors on this letter, or you previously identified errors on your Form 471, these can be corrected using this Form 471 Receipt Acknowledgment Letter. Examples of the errors that can be corrected are:

- * Block 1 information (such as contact person or street address);
- * Reductions to Block 5 Funding Requests (Reductions to Block 5 Funding Requests are allowable except for those that would increase your discount percentage due to a change in recipients of that Block 5 service.);
- * Correction of an incorrect SPIN because of a data entry error or because the company has merged with or been acquired by another company (Requests to change service providers for other reasons cannot be accommodated through the Receipt Acknowledgment Process.);

- * If on your Form 471 you incorrectly combined or "bundled" into one Funding Request Number (FRN) two or more services from different service providers (for example, local phone service from one company and long distance service from another) or from different eligible service categories (such as internal connections and Internet access), you may request us to "split" or "unbundle" the FRN.

NOTE: The total dollar amount represented by the newly divided FRN must not exceed the amount you requested for the original combined FRN. On the photocopy of your Receipt Acknowledgment Letter, cross out the original bundled FRN, then write in the SPIN, Service Provider Name, Services Ordered category, Total Program Year Pre-Discount \$ Amount, and Discount for each distinct service you have now "unbundled," making sure that the total dollars requested add up to no more than the ORIGINAL request.

To notify us of the allowable corrections you wish to make, please note that the SLD must receive these corrections within 3 weeks of the date of this letter. Follow these simple steps to make corrections:

1. Photocopy your Receipt Acknowledgment Letter.
2. Draw a line through each incorrect item, and mark clearly next to it what the correct information should be.
3. Please write the name of the contact person and telephone number on the first page of the RAL copy that will be sent to the SLD so that we can contact you if we have questions about your requested changes.
4. Make a photocopy of your marked-up letter to keep for your files.
5. Send your marked-up letter to arrive within three weeks of the date of this Form 471 Receipt Acknowledgment Letter to: Data Entry Corrections, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. (Please no e-mail.) We recommend that you send your marked-up letter via certified mail or another mode of delivery that will provide you with proof of delivery. Alternatively, you may fax your marked-up letter within three weeks of the date of this Form 471 Receipt Acknowledgment Letter. Please fax your marked-up letter with a Fax Cover Page to: Data Entry Corrections, fax # (973) 884-8217 and indicate the number of pages you are faxing. When faxing, save your confirmation page from sending the fax as your receipt of completed transmission.
6. Allowable corrections received in a timely fashion will be reflected in your Funding Commitment Decision Letter. We will not make corrections that do not fall into the categories defined as Allowable Corrections, above. Please note: the SLD will not advise you that we have received your "change request."
7. Please notify your service provider of any corrections to the Receipt Acknowledgment Letter that you submit to the SLD. Your service provider has also received a copy of the original Form 471 RAL letter. This correction will help your service provider keep your records updated.

EXPLANATION OF LINE ITEM INFORMATION

Certain information from each Block 5 of Form 471 Application Number 320217 that passed Minimum Processing Standards and that could be entered into our data system is shown below. There are six important components of information shown for each Block 5:

1. FRN (Funding Request Number): The FRN is the Funding Request Number that the SLD assigned to each Block 5 funding request that is entered into our data system. This number will be cited in relation to the SLD's funding decision contained in the Funding Commitment Decision Letter. The FRN information will also be shared with service providers so that they can provide discounted bills and invoice the SLD for the approved discount amount.
2. SPIN (Service Provider Identification Number): This is the Service Provider Identification Number that you provided. This is a unique identification number assigned to each service provider.
3. Service Provider Name: This is the legal name in our database that is associated with the Service Provider Identification Number that you provided.
4. Category of Service: This is the type of service for which you have requested discounts from Block 5, Item 11. The categories of services are: Telecommunications Services (Telc Svc); Internet Access (Inet Acc); Internal Connections (Intr Con).
5. Pre-discount Dollar Amount: This is the total annual pre-discount cost for each FRN. This amount is taken from Block 5, Item 23, Column I.
6. Discount Percentage: This is the discount percentage from Block 5, Item 23, Column J.

MISSING FRNs

If information about a particular FRN is not included in the itemized list of Block 5 FRNs set forth above, this is because the FRN did not pass Minimum Processing Standards. If this is the case, you will receive a separate letter from the SLD informing you that

these FRNs have been rejected, with an explanation of the reason for rejection. If you believe that there were FRNs included in your Form 471 which are not listed in this letter AND you have not received a letter informing you that those FRNs are rejected, please write to us at the address listed at the bottom of this letter. See also "QUESTIONS ABOUT THIS LETTER" below.

Please note that the SLD Client Service Bureau may not have the information necessary to respond to your inquiry; therefore, your letter should be sent to the New Jersey address featured below.

FUTURE CONTACTS WITH PIA

It may be important for us to contact you as our PIA (Program Integrity Assurance) Team reviews the funding requests contained in your Form 471. Our requests for clarification and/or additional documentation will require a prompt response. The due date for such responses will be established at the time that the PIA Team may contact you. Please make sure that the contact person on your application is available to speak with the PIA Team, or that a surrogate is available. In addition, you should monitor on a daily basis the fax and e-mail locations that you may have cited in your Form 471 for the applicant and for the contact person for the applicant.

COMMUNICATIONS WITH YOUR SERVICE PROVIDERS

The SLD is also sharing this FRN information with service providers whose SPINs are listed on Form 471 applications. This information is provided so that service providers can undertake the preparatory steps of identifying their potential customers for whom discounts may be issued. NO DISCOUNTS will be provided until after:

- * the SLD issues the Funding Commitment Decision Letter for a particular application; AND
- * technology plans, if applicable, have been approved; AND
- * the applicant submits a Form 486 with a valid service start date.

The SLD encourages Form 471 applicants to contact their service providers to inform the service providers of the funding requests submitted to the SLD. Service providers may request additional information concerning the specific services contained within each funding request in order to facilitate discounted billing. Applicants are encouraged to share this information with service providers in order for the service providers to begin the preparatory billing steps.

QUESTIONS ABOUT THIS LETTER

If you have any questions regarding the above information, please write to us at SLD, Box 125-Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981.

Re: Form 471 Application Number: 320217
Funding Year 2002: 07/01/2002 - 06/30/2003
Billed Entity Number: 144027
Applicant's Form Identifier: YR5INTERNET

Thank you for your Funding Year 2002 E-rate application and for any assistance you provided throughout our review. We have completed review of your Form 471. This letter is to advise you of our decision(s).

FUNDING COMMITMENT REPORT

On the pages following this letter, we have provided a Funding Commitment Report for the Form 471 application cited above. We have reviewed each Discount Funding Request on your Form 471 application and have assigned a Funding Request Number (FRN) to each Block 5. The enclosed report includes a list of the FRNs from your application. The SLD is also sending this information to your service provider(s) so preparations can be made to begin implementing your E-rate discount(s) upon the filing of your Form 486. Immediately preceding the Funding Commitment Report, you will find a guide that defines each line of the Report.

NEXT STEPS

FILE FORM 486. Once you have reviewed this letter and have determined that some or all of your requests have been funded, your next step to facilitate receipt of discounts as featured in this letter will be to file an FCC Form 486 with the SLD. The Form 486 notifies the SLD to begin payment to your service provider and provides certified indication that your technology plan(s) has been approved by an SLD certified Technology Plan Approver. The Form 486 and instructions and the list of SLD certified Technology Plan Approvers can be found on the SLD web site at <www.sl.universalservice.org> or you can call the SLD Client Service Bureau at 1-888-203-8100 and ask that the form be sent to you. The Form 486 dated July, 2001 in the lower right corner MUST be used for Funding Year 2002 and for any previous funding years. Submissions of earlier versions of the Form 486 will be returned to you and will not be able to be processed. As you complete Form 486, you should also contact your service provider to verify they have received notice from the SLD of your funding commitments. After the SLD processes your Form 486, we can process invoices for services that have been provided to you.

DEADLINE FOR FORM 486. Form 486 must be postmarked within 120 days of the Service Start Date featured on the Form 486 or within 120 days of the date of the Funding Commitment Decision Letter, whichever is later. If the Form 486 is postmarked after the later of those two dates, the date 120 days before the Form 486 postmark date will become the start date for discounted services. If the service start date is moved, your funding commitment may be reduced. You are advised to keep proof of the date of mailing of your form(s).

REVIEW CIPA REQUIREMENTS. On December 21, 2000, the Children's Internet Protection Act (CIPA) was signed into law. That law requires schools and libraries that receive Universal Service discounts for certain services to adopt an Internet safety policy incorporating the use of filtering or blocking technology on computers with Internet access as a condition of receiving those discounts. Funding Year 2002 may be the Second Funding Year for purposes of CIPA for one or more schools and/or libraries represented on your Form 486. (Funding Year 2002 is the Second Funding Year for purposes of CIPA for a school or library if a Form 486 for internet access or internal connections was successfully data entered for Funding Year 2001. See the section of the Form 486 Instructions entitled "Impact of CIPA Requirements on Form 486" for more information on First, Second and Third Funding Years.) If Funding Year 2002 is the Second Funding Year for purposes of CIPA for one or more schools and/or libraries represented on your Form 486, those school(s) and/or library(ies) must certify that they are in compliance with CIPA unless state or local procurement rules or regulations or competitive bidding requirements prevent the making of the certification otherwise required. A school or library so prevented may request a waiver for Funding Year 2002. Certification(s) for purposes of CIPA and CIPA waiver request(s) must be made on the Form 486 or the Form 479, whichever is appropriate. See the Form 486 Instructions and the Form 479 Instructions for more information. You may also refer to the SLD web site at <www.sl.universalservice.org> or call the Client Service Bureau at 1-888-203-8100 for more information about Form 486, Form 479, and the requirements of CIPA.

FILE FORM 472 (APPLICANT) or FORM 474 (SERVICE PROVIDER). After a Form 486 has been properly filed, the SLD must receive an invoice from either the applicant or the service provider in order to make payments for approved discounts on eligible services. Form 472, Billed Entity Applicant Reimbursement (BEAR) Form, is filed by the applicant; Form 474, Service Provider Invoice Form, is filed by the service provider.

NEW DEADLINES FOR INVOICES. Invoices must be postmarked within 90 days of the last date to receive service or within 90 days of the date of the Form 486 Notification Letter, whichever is later. If an invoice is postmarked after the later of those two dates, payment will be denied.

TO APPEAL THESE FUNDING COMMITMENT DECISIONS

If you wish to appeal the Funding Commitment Decision(s) (FCD) indicated in this letter, your appeal must be RECEIVED BY THE SCHOOLS AND LIBRARIES DIVISION (SLD) WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER. Failure to meet this requirement will result in automatic dismissal of your appeal. In your letter of appeal:

1. Include the name, address, telephone number, fax number, and e-mail address (if available) for the person who can most readily discuss this appeal with us.
2. State outright that your letter is an appeal. Identify which FCD Letter you are appealing. Indicate the relevant funding year and the date of the Funding Commitment Decision Letter. Your letter of appeal must also include the applicant name, the Form 471 Application Number, and the Billed Entity Number from the top of your FCD Letter.
3. Identify the particular Funding Request Number (FRN) that is the subject of your appeal. When explaining your appeal, include the precise language or text from the Funding Commitment Decision Letter that is at the heart of your appeal. By pointing us to the exact words that give rise to your appeal, the SLD will be able to more readily understand and respond appropriately to your appeal. Please keep your letter to the point, and provide documentation to support your appeal. Be sure to keep copies of your correspondence and documentation.
4. Provide an authorized signature on your letter of appeal.

If you are submitting your appeal on paper, please send your appeal to: Letter of Appeal, Schools and Libraries Division, Box 125 - Correspondence Unit, 80 South Jefferson Road, Whippany, NJ 07981. Additional options for filing an appeal can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by calling the Client Service Bureau.

While we encourage you to resolve your appeal with the SLD first, you have the option of filing an appeal directly with the Federal Communications Commission (FCC). You should refer to CC Docket Nos. 96-45 and 97-21 on the first page of your appeal to the FCC. Your appeal must be RECEIVED BY THE FCC WITHIN 60 DAYS OF THE ABOVE DATE ON THIS LETTER. Failure to meet this requirement will result in automatic dismissal of your appeal. Further information and options for filing an appeal directly with the FCC can be found in the "Appeals Procedure" posted in the Reference Area of the SLD web site or by calling the Client Service Bureau. We strongly recommend that you use either the e-mail or fax filing options because of continued substantial delays in mail delivery

to the FCC. If you are submitting your appeal via United States Postal Service, send to: FCC, Office of the Secretary, 445 12th Street SW, Washington, DC 20554.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the universal service mechanisms for schools and libraries. FCC Form 471 Applicants who have received funding commitments continue to be subject to audits and other reviews that SLD or the Federal Communications Commission may undertake periodically to assure that funds have been committed and are being used in accordance with all such requirements. If the SLD subsequently determines that its commitment was erroneously issued due to action or inaction, including but not limited to that by SLD, the Applicant, or Service Provider, and that the action or inaction was not in accordance with such requirements, SLD may be required to cancel these funding commitments and seek repayment of any funds disbursed not in accordance with such requirements. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

We look forward to continuing our work with you on connecting our schools and libraries through advanced telecommunications services.

Sincerely,

Schools and Libraries Division
Universal Service Administrative Company

A GUIDE TO THE FUNDING COMMITMENT REPORT

Attached to this letter will be a report for each E-rate funding request from your application. We are providing the following definitions.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to Applicants and Service Providers the status of individual discount funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of three definitions: "Funded," "Not Funded," or "As Yet Unfunded."

1. An FRN that is "Funded" will be approved at the level that SLD determined is appropriate for that item. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds will be committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision," and amplification of that explanation may be offered in the section, "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for internal connections at a particular discount level. For example, if your application included requests for discounts on both telecommunications services and internal connections, you might receive a letter with our funding commitment for your telecommunications funding requests and a message that your internal connections requests are "As Yet Unfunded." You would receive a subsequent letter(s) regarding the funding decision on your internal connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on Form 471.

EARLIEST POSSIBLE EFFECTIVE DATE OF DISCOUNT: The first possible date of service for which the SLD will reimburse service providers for the discounts for the service.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a will be listed. This will appear only for "site specific" FRNs.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE RECURRING CHARGES: Eligible monthly pre-discount amount approved for recurring charges multiplied by number of months of recurring service provided in the funding year.

ANNUAL PRE-DISCOUNT AMOUNT FOR ELIGIBLE NON-RECURRING CHARGES: Annual eligible non-recurring charges approved for the funding year.

PRE-DISCOUNT AMOUNT: Amount in Form 471, Block 5, Item 23, Column I, as determined through the application review process.

DISCOUNT PERCENTAGE APPROVED BY THE SLD: This is the discount rate that the SLD has approved for this service.

FUNDING COMMITMENT DECISION: This represents the total amount of funding that the SLD has reserved to reimburse service providers for the approved discounts for this service for this funding year. It is important that you and the service provider both recognize that the SLD should be invoiced and the SLD may direct disbursement of discounts only for eligible, approved services actually rendered.

FUNDING COMMITMENT DECISION EXPLANATION: This entry may amplify the comments in the "Funding Commitment Decision" area.

To Whom It May Concern:

I am writing concerning the Funding Commitment Decision Letter dates June 3, 2002.

This letter states the information on the Form 471 does not agree with the information on the Form 470.

After researching our records, I have discovered I incorrectly identified the Application Number on the Form 471 at the time it was submitted. I had submitted two Form 470 in error for the same services. The correct information for Block 5, line 12 is:

Form 470 Application Number: 15 digits **446460000409355**

I have attached copies of all the applications. Please contact me as soon as convenient. I apologize for the confusion and certainly hope this does not jeopardize our funding.

I can be reached at (559) 327-9050. My fax number is (559)327-9059. My e-mail address is: pamviar@clovisusd.k12.ca.us

I am very anxious to discuss this with you and hope you can guide me on the next step.

Block 2: Early Filing Information and CIPA Waiver Request

6a. Early Filing

CHECK THE BOX BELOW IF THE FRNS ON THIS FORM 486 ARE FOR SERVICES STARTING *ON OR BEFORE* JULY 31 OF THE FUNDING YEAR.

The Funding Requests listed in Block 3 have been approved by SLD as shown in my Funding Commitment Decision Letter (FCDL). I have confirmed with the service provider(s) featured in those Funding Requests that these services will start on or before July 31 of the Funding Year.

Remember: Early filing using Item 6a is an option if and **ONLY** if services will start within the month of July of the relevant Funding Year, all relevant certifications in Block 4 can be accurately made, and the Form 486 is postmarked on or before July 31 of the Funding Year.

6b. CIPA Waiver

CHECK THE BOX BELOW IF YOU ARE REQUESTING A WAIVER OF CIPA REQUIREMENTS FOR THE SECOND FUNDING YEAR AFTER APRIL 20, 2001 IN WHICH YOU HAVE APPLIED FOR DISCOUNTS IF YOU AS THE BILLED ENTITY ARE THE ADMINISTRATIVE AUTHORITY.

I am providing notification that, as of the date of the start of discounted services, I am unable to make the certifications required by the Children's Internet Protection Act, as codified at 47 U.S.C. § 254(h) and/or (l), because my state or local procurement rules or regulations or competitive bidding requirements prevent the making of the certification(s) otherwise required. I certify that the schools or libraries represented in the Funding Request Number(s) on this Form 486 will be brought into compliance with the CIPA requirements before the start of the Third Funding Year after April 20, 2001 in which they apply for discounts.
